GAINLINE APPROACH

- ✓ **Founder Friendly:** We are partnership-oriented, patient and thoughtful
- ✓ **Execution Expertise:** We strive to be the “easy button” for founder and family-owned businesses
- ✓ **Comfort with Complexity:** Ability to close through complexity with speed
- ✓ **Partnership and Strategic Resources:** We provide strategic guidance, a vast network of experienced executives, expertise, acquisition/financing support and other resources necessary to drive value
- ✓ **Structure and Alignment:** We structure investments to provide ample balance sheet flexibility and take a conservative approach to leverage. We work to create meaningful economic incentive plans for management to align interests and enable companies to attract and retain talent
